Hi Bruce,

You have completed the certificate. I sent an email to you and others on March 9 to indicate this. I also shared that at this time there is no downloadable certificate due to a tech challenge I have to work with others on who know the system better than me. Unfortunately and fortunately, their time is focused on COVID needs so I'm on a waitlist to do this work over the summer.

You can use the email I sent on March 9, the screen grab, my posting on my work Instagram account and mentioning of your completion in the April Division of Diversity and Inclusion's e-newsletter as confirmations of your completion until a formal certificate is ready.

Best,

Subject: Cultural Humility Certificate

Hi, Taj:
I hope that you have enjoyed your "recharge day."

I'm writing to you because I believe that I have completed the requirements for the Cultural Humility Certificate Program, and am wondering what the next steps are for me to receive the certificate. If this question is best handled by another individual in your department, I kindly request that you forward this message.

I have completed the below courses in the current Academic Year:

Core:

1. Diversity & Cultural Humility in the Workplace (1/12/2021)
2. Confronting Unconscious Bias & Micro Messaging (2/8/2021)
3. Power, Privilege & Equity (2/11/2021)
4. Socio-Economic Diversity (3/9/2021)

Electives:

1. Deaf Culture(s) & the ASL Basics (9/22/2020)
2. Mapping an Anti-Racist Organization (2/25/2021)

I have included below a “screen grab” from my Talent Roadmap.

In closing, I’d like to once again thank you for your critical work in this area and for offering these important sessions.

Best,
Bruce
